

Full-motion arm assembly, isometric view fully extended

## 50"-100"

### SCREEN SIZE RANGE

**75 kg (165 lbs)**

## WEIGHT CAPACITY

**900 x 600 mm**

MAX VESA PATTERN

Wall-to-VESA profile **78-644 mm (3.1"-25.4")**

Tilt range **+5° / -15°**

Swivel range **+60° / -60°**

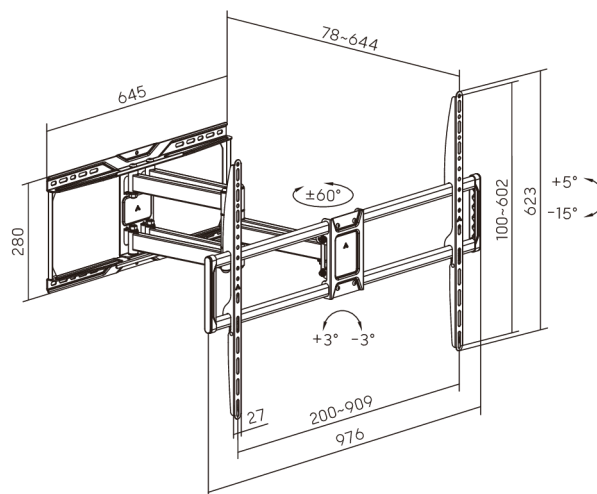

Screen level adjust **+3° / -3°**

Curved TV compatible **Yes**

|                  |                        |
|------------------|------------------------|
| Cable management | <b>Yes, integrated</b> |
|------------------|------------------------|

## TECHNICAL DRAWING

Dimensions (mm)

**RoHS Certified**

### 3x Strength Tested

**Curved TV Compatible**

## DIMENSIONS & MOUNTING

|                          |                                        |
|--------------------------|----------------------------------------|
| <b>Assembly envelope</b> | 644 x 976 x 623 mm (extended)          |
| <b>VESA hole pattern</b> | 200x100 up to 900x600, 22 patterns     |
| <b>Max hole span</b>     | 909 x 602 mm                           |
| <b>Installation</b>      | Solid wall, dual-stud (406/450/600 mm) |
| <b>Load rating</b>       | Verify substrate for 75 kg/screen      |

## ADJUSTMENT & MOTION

|                                 |                                    |
|---------------------------------|------------------------------------|
| <b>Tilt range</b>               | +5° to -15°,<br>easy-grip<br>knobs |
| <b>Swivel range</b>             | +60° to -60°,<br>dual arm          |
| <b>Screen level<br/>adjust</b>  | +3° to -3°                         |
| <b>Wall extension</b>           | 78-644 mm<br>from wall             |
| <b>Curved TV<br/>compatible</b> | Yes                                |

## MATERIAL & CONSTRUCTION

|                |                                    |
|----------------|------------------------------------|
| Material       | Steel, plastic                     |
| Surface finish | Powder coating, fine texture black |
| Strength test  | 3x rated load, approved            |
| Certification  | RoHS compliant                     |

## INCLUDED HARDWARE

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| <b>Cable management</b>    | Hook-and-loop fasteners included                   |
| <b>Leveling adjustment</b> | Post-install fine leveling                         |
| <b>Bubble level</b>        | Hook-on, included in kit                           |
| <b>Fasteners</b>           | Wall anchors sized to substrate and 75 kg capacity |
